

Mini Spiritual Purpose Map

What I am here to learn (patience, honesty, surrender, courage, love, boundaries).

What I am here to give (care, creativity, listening, teaching, healing, presence).

One small way I can express this purpose this month (action, word, habit, relationship).

One fear that makes me hesitate to live this purpose (failure, judgment, not being enough).

One small permission I can give myself: 'I don't need to be perfect to be purposeful.'
