

Emotional Safety Check in Conversations

- ☐ I don't feel afraid to be honest.
If I often check 'No', this is a warning sign. _____
- ☐ If I'm wrong, I can admit it without being shamed.
If I often check 'No', this is a warning sign. _____
- ☐ If I share feelings, they are not mocked or dismissed.
If I often check 'No', this is a warning sign. _____
- ☐ We can pause and continue later if needed.
If I often check 'No', this is a warning sign. _____
- ☐ We both take responsibility; we don't only blame each other.
If I often check 'No', this is a warning sign. _____
- ☐ My non-verbal cues are respected and not weaponized.
If I often check 'No', this is a warning sign. _____
- ☐ There is no fear of retribution or punishment for speaking up.
If I often check 'No', this is a warning sign. _____
- ☐ Listening happens with the intent to understand, not to rebut.
If I often check 'No', this is a warning sign. _____
- ☐ My perspective is valued, even if we disagree.
If I often check 'No', this is a warning sign. _____
- ☐ I don't need to walk on eggshells when I communicate.
If I often check 'No', this is a warning sign. _____
