

Mindful Yoga & Gentle Movement

Move with awareness. Breathe with intention.
Come home to your body.

5 SIMPLE STEPS TO PRACTICE

1

Set Your
Intention

Pause. Take a deep breath. Ask yourself: "What do I need right now?"

2

Connect with
Your Breath

Inhale slowly through your nose. Exhale fully. Let your breath guide you.

3

Move
Gently

Use slow, mindful movements. Listen to your body and move at your own pace.

4

Stay
Present

Notice sensations, thoughts, and emotions without judgment.

5

Close with
Gratitude

Take a breath. Acknowledge your effort. Thank your body.

WHY IT'S GOOD FOR YOU

Reduces Stress & Anxiety

Calms the nervous system and lowers cortisol levels.

Improves Mood

Boosts endorphins and promotes feelings of well-being.

Supports Flexibility & Strength

Gently improves mobility, balance and muscle tone.

Enhances Body Awareness

Helps you tune in, reducing tension and preventing injury.

Promotes Better Sleep

Relaxes body and mind for deeper, more restful sleep.

GENTLE POSES TO TRY

Child's Pose

Restorative and calming for the mind.

Cat-Cow

Release tension in the spine and neck.

Downward Dog

Stretches the whole body and boosts energy.

Seated Forward Fold

Soothes the mind and calms the nervous system.

Knees to Chest

Relieves lower back tension and promotes relaxation.

TIPS FOR YOUR PRACTICE

Start Small
5-10 minutes is enough.

Create a Calm Space
A quiet space helps you focus.

Listen to Your Body
No pain, no rush. Modify as needed.

Stay Hydrated
Sip water before and after.

Be Consistent
Little by little, it adds up.

Yoga is not about touching your toes.
It's about what you learn on the way down.

BREATHE. MOVE. BE.
You are enough, just as you are.
